COUNTERPROPOSAL AMENDMENT

SSR Communications Incorporated ("SSR") hereby submits an amendment to a previously filed counterproposal. On March 21, 2005, SSR submitted a "Counterproposal and Request for Show Cause" in accordance with all procedural rules regarding the service of all affected parties. While SSR did properly notify the original petitioner for channel 266A at Monument of its counterproposal, and the licensee of KWPK of the requested order to show cause, it inadvertently omitted the certificate of service from the document. This was an omission of including the certificate only, not an omission resulting in an improper performance of not serving all affected parties. Therefore SSR is hereby amending its counterproposal to include the certificate of service omitted from the March 21st original filing..

Accordingly, SSR urges the Commission to accept its Amendment to its Counterproposal.

Respectfully submitted,
SSR Communications Incorporated
